The institution requires that all students enrolled be evaluated academically and attendance-wise in three evaluation periods as follows:

1st Period of SAP Evaluation – 450 hours (attempted)

2nd Period of SAP Evaluation – 900 hours (attempted)

3rd Period of SAP Evaluation – 1200 hours (attempted)

Students are required to meet the standards of academic progress that are outlined in the sections below to determine that the standards are met. These standards have multiple components (qualitative and quantitative measurements) that include a minimum cumulative grade point average requirement (CGPA); a minimum successful completion rate based on all clock hours attempted; and, a maximum time frame requirement.

SAP - Quantitative Criteria

Students must complete at least 67% of the attempted clock hours of the corresponding evaluation period in order to remain compliance with the institution's SAP Policy. Clock hour progression will be based on a cumulative total of attempted hours to earned hours. For example, a student that is in a SAP evaluation period of 450 clock hours is required to successfully complete a minimum of 302 clock hours ($450 \times 67\% = 302$).

SAP - Qualitative Criteria

At the end of the period in which the student is on probation, the student's overall GPA and clock hours completion percentage will be recalculated. A student will be removed from academic probation only if the student completes the appropriate percentage of coursework and earns a "C" or better in all courses attempted during the corresponding period in which he or she is on academic probation and earns a cumulative GPA of 2.0 or higher. A student that does not come out of probation within one evaluating period will be withdrawn by the school.

If the student's appeal is granted, the student will be considered to be making satisfactory academic progress.

The student will have to reapply for admission, satisfy all admissions criteria in effect at the time, satisfy any outstanding financial obligations to the institution, and retake any failed classes before proceeding to other courses.
